LaHabra® Acrylic Finish

LaHabra Acrylic Finishes add beauty and durability to any project. With the latest acrylic technology, LaHabra Acrylic Finishes provide bright, uniform, enduring color that will last for many years with minimal maintenance. LaHabra Acrylic Finishes are durable coatings that provide color and texture over LaHabra Wall, brown coat, cast-in-place concrete, and other approved substrates.

LaHabra as the pioneer of Base and Package Color system within the stucco industry, proudly offers Acrylic Finishes in a Base/Liquid Color system as well as a Premix product with color included. Both are available in custom-matched colors.

LaHabra Stucco recommends LaHabra Acrylic Sealer to extend the life of your Acrylic Finish.

LaHabra Advantages

- Resistant to Hairline Cracking & Checking
- Water-Resistant
- Integral, Fade-Resistant Colors
- Excellent Workability
- Good Resistance Against Staining & Mottling
- Reduced Maintenance
- Color Consistency

Base and Liquid Color

- Lower Inventory Costs
- Reduced Waste
- Reduced Lead Times
- Proven Technology

Description

- 100 percent acrylic-based textured finish.
- Dirt Pick-up Resistance (DPR): The surface of the finish hardens and does not soften again under heat. The non-tacky surface provides high resistance to accumulation of dirt, mold, and pollutants.

Uses

Exterior or Interior Finish Coat over:

- Properly prepared masonry, stucco, and concrete surfaces.
- Interior application over drywall, plaster, or properly prepared masonry or concrete.

Composition:

- Binder base: 100 percent acrylic polymer with surface-hardening property.
- Aggregate: Pure crushed marble, rust-free.
- Water-based: VOC-compliant.
- Pigment base: Titanium dioxide.

Colors

- 40 standard colors and custom colors are available. See the LaHabra Acrylic Finish color chart for details.

Packaging

- LaHabra Acrylic Finishes are available in 65 lb.(29.5kg) pails.
- Liquid color is available in 4 oz. and 8 oz.bottles.

TEXTURE CHOICES

Sand Smooth

- a) "Ornamental trowel" texture or "Spray" texture for sculpted decorative effects such as lace, skip-trowel, and smooth trowel.

Sand Medium

- a) Texture to provide 20/30 Float Finish.

Sand Coarse

- a) Texture to provide a 16/20 Float Finish.
