

The Greatest Stucco Innovation in Over 80 Years.

- ✓ **Dust Less Technology**
- ✓ **Less Mess**
- ✓ **Less Water**
- ✓ **Easier to Spread**
- ✓ **Longer Open Time**
- ✓ **Reduced Shrinkage**

NTS - New Technology Stucco by LaHabra, incorporates Dust Less Technology, the first innovation in stucco formulation in over 80 years. This specially formulated product is easier to apply and environmentally responsible, creating healthier working conditions, less dust and less mess than other stucco finishes.

The dust has settled. The choice is clear.
